Dr. Heinrich Maier Strasse 46
Stg.1, No.6
Vienna XVIII

10 December, 1960

Dear Prof. Krishnan,

You were kind enough to permit me to accept a position with the International Atomic Energy Agency for a period of two years ending 28 February, 1960. A few days ago the Director General of the Agency communicated his desire to retain my services for another year. I have informed him that subject to approval of the CSIR and the Government of India, I will be glad to accept the proposal.

The Agency has taken up the matter formally with India's Governor on the Board of Governors of the Agency, Mr. Arthur S. Lall, who has referred the matter to the Government. You will receive this formal request in due course, but I thought I should also apprise you of this development, and make a personal request to be permitted to accept the offer. I hope I shall receive your support in this connection.

Last week I was in Milan to attend a Colloquium^{um} on co-operation in scientific documentation and information techniques. In the course of discussions complimentary references were made to the work of Insdoc. I am sure it will gratify you to hear that the young organisation, to whose building up you gave so much of guidance, has done well and is spoken of favourably in international gatherings.

With Season's greetings and best regards,

Yours sincerely,

P. Sheel
(P. Sheel)

Prof. K.S.Krishnan, FRS
Director
National Physical Laboratory,
New Delhi 12. India
