V.

MORO GULF COCONUT PLANTERS ASSOCIATION

(A chapter of the Philippine Coconut Producers' Federation)

Award of Appreciation

to

DR. VAIDYANATHA SUBRAHMANYAN

F.A.O. Food Technologist,

United Nations.

In recognition and gratitude for his unselfish and dedicated efforts in the upliftment of the welfare of the Coconut farmers of the Cotabato Province by his research and the final farm application of the treatment of Coconut Kernels with chemicals to produce quality copra.

Given this 28th day of June, nineteen hundred and sixtysix at Cotabato City, Philippines.

Catalino A. Marquay,
Secretary.

Thomas O. Roales,
President.

Relevant extracts from plaques presented to Dr.V.Subrahmanyam during June-July, 1966, by various national institutions and other organisations in the Philippines on completion of his assignment as the F. A. O. Food Technologist in that country.

I.

THE NATIONAL INSTITUTE OF SCIENCE & TECHNOLOGY

Awarded to

Dr.Vaidyanatha Subrahmanyam
F.A.O. CONSULTANT, FOOD TECHNOLOGY

In recognition of his outstanding contribution in coconut technology, while consultant to the Institute, thereby opening up new and unlimited possibilities of the coconut, both as an article of trade and commerce and as a food commodity;

In appreciation of his dedication, zealousness and devotion to his work and, thereby exemplifying among his colleagues, the true spirit of a researcher;

For his understanding and generosity which has generated cooperation among his co-workers and endeared him as well to his friends and associates; and

For his avowed primary objective to ameliorate the standard of living of the common man through advancement in food technology and industry.

Given on July 18 in the year of our Lord 1966 at the City of Manila, Philippines.

Canuto G.Manuel,
Commissioner.

II.

THE PHILIPPINE ASSOCIATION OF NUTRITION

Award to

Dr. Vaidyanatha Subrahmanyam

F.A.O. Food Technologist

In recognition of his outstanding contribution in Food Technology with special reference to the development of a simple and inexpensive method of improving considerably the quality of Philippine copra, thus widening the way towards increased benefits for the Filipino farmer as well as to the development of an edible, dehydrated coconut product with industrial potentialities.

Presented on the 22nd Day of June, 1966.

Olympia N. Gonzalez,
Secretary.

Carmen L. Intengan,
President.

III.
