My dear Sir,

I am sending
the necessary details regarding
my admission to M. I. T.

This morning you may
kindly said that you would
get into touch with the
Educational Liaison Office and
also with certain professors
at M. I. T. ~~and~~ whom you
know. I am enclosing a
list of the members of the
staff to help you in recalling
their names. I have to
write to the M. I. T. authorities
shortly and shall send
your letter for the professors
of your acquaintance, along
with mine. In the meantime
I shall be waiting for
them.

As an alternative arrange-
ment, I am applying to
California Institute of Technology.
Could you please ask
the liaison office to do the
needful ~~there~~ too and
also give me a letter
for anybody you know
there?

I am so sorry that
I should be putting
you to such inconvenience.
I shall always be grateful
for the help you have
promised me.

Thanking you
once again,
Yours sincerely,
Manmohan L. Pathak

My dear Sir,

You might be remembering that when you came here to preside over the last session of the Indian Science Congress, you were very kindly promised me a few letters to the I. I. T. professors. I have now to send my letters to the I. I. T. authorities and shall be very grateful to you if you could please send your letters at your earliest convenience. I would also request you

to please send me a
separate certificate. You
might remember that I
had given you all
the relevant particulars
when you were at
Allahabad.

I am sorry, Sir, that
I should be bothering you
amidst your heavy
preoccupations.

But I do hope
you will excuse me.

My father sends
you his regards.

Thanking you,

Yours sincerely,
M. S. Pathak.
