The Director,
N. P. L.
Delhi

Sir,

I am bringing to your kind notice that as I went to the N.C.L stores to get chemicals issued, I was told by the storekeeper that the officer-in-charge of stores has ordered him not to issue anything to the N.P.L. workers, on the plea that N.P.L workshop in charge ^{had} refused to do work for the N.C.L. workers. As my work suffers because of chemicals and solvents therefore I request you as to kindly take the necessary action & oblige.

Dated 7-7-49.

Yours obediently,
Roshchad Sahni,
N. A. U. Sec. (Hrs)
