Dear Dr. Krishnan,

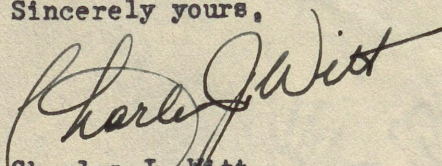

During the recent showing of the American Small Industries Exhibition at New Delhi an attendance figure of well over 600,000 visitors was recorded. We are proud indeed that this solo presentation to the people of India received such wide approval.

It is always a great satisfaction to be part of a job well done and in this instance we are happy to share the honors with you.

Please accept our sincere appreciation for the splendid cooperation and assistance you have rendered.

We hope it will be our good fortune to again have the opportunity of working with you on another major project of mutual interest.

Sincerely yours,

Charles J. Witt
