

HOUSE OF REPRESENTATIVES
WASHINGTON, D.C. 20515

MATTHEW F. MCHUGH
28TH DISTRICT, NEW YORK

January 23, 1984

Dr. B. V. Sreekantan
Director
Tata Institute for Fundamental
Research
c/o American Consul General
78B Desai Road
Bombay 400 026, India

Dear Dr. Sreekantan:

On behalf of our entire Congressional delegation, I want to thank you for the friendliness and frankness with which you received us. We found the functioning of your Institute to be very impressive and we learned a great deal about the status of scientific research in India as a result of your briefing.

Thank you again for your courtesy and hospitality.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "Matthew F. McHugh".

Matthew F. McHugh
Member of Congress
