Dear Dr. Swaminathan,

Thank you for your letter of September 7th, which arrived in my office today, and which I have read with great interest.

You have my best wishes for your re-election, and I look forward to learning that you will be Chairman of the F.A.O. Council for a second term.

I also look forward to meeting you again in Rome next month.

With kind regards,

Yours sincerely,

D.R. Norman
