

DIAMOND JUBILEE 1980

**COMMEMORATIVE
VOLUME**

**THE INSTITUTION OF
ENGINEERS (INDIA)**

QUESTIONNAIRE

If the space provided for answering each question is insufficient, you may kindly type out the answer in separate sheets with relevant question numbers. Duplicate questionnaire may be required by you.

- 1 In the country's major development plans over several decades prior to and after independence a number of projects were conceived, taken up for execution and implemented in part or full. Could you please cover for the prestigious Commemorative Volume a narrative giving the beginnings, historicity, collaborative and indigenous contributions made, to successfully achieve any such national project/s in the private or public sector in which you were intimately involved and command expert knowledge?

Reply :

2 What were the outstanding results of the above project/s which have benefitted the country?
