My dear Professor Krishnam,

I am extremely sorry that I could not meet you and get your advice and good wishes before leaving for this country. At that time you had gone out of station. ~~So~~ I am sure I have with me your good wishes and I yet await your advice which I ~~most~~ value most.

The university opens on 21st. September. I am to work under Prof. Jauch on some topic, which I do not yet know, in theoretical physics. Now-a-days I am busy refreshing all that I know of Physics.

I have applied for extraordinary leave
