Dear Joshi,

Thank you for your letter  
Very much.

We do not have Hercules card.  
Any way a Hercules card can  
some times be troublesome, as it  
cannot work as C/A always.

please send

Turbo Pascal 4

Turbo graphics

OPT SORT

NORTON editor

COMSTAK

Pascal source library  
if any.

as early as possible.

We do not need Turbo toolbox and  
Eureka. I am not using FORTRAN  
any more. Wish you also  
change to Pascal or C.

Here things are fine. I am

going to Madurai for 2 days.

Dear Jashi,

The four library tickets  
are enclosed.

Madhav was telling if  
there is precedence of students  
getting their thesis expense from  
schemes (typing, diagrams,  
ammonia printing and photos)  
he can reimburse my  
expenses. Can you please  
enquire with me of mondzal  
students / others when you  
happen to meet them?

Yours sincerely  
Vijayal V-P
