Dear Doctor,

I came to find out
if the script regarding
Electro-microscope and atomic
clock was ready. I want a
feature of this N.P.C. to appear
coming
on Sunday and shall therefore
be glad if you can have the script
ready which I shall use along with
the workshop etc. I shall give a
ring tomorrow to find out about
this. If the persons concerned can
dictate a few lines that would be
swell.

with regards,

D. K. S. Krishnan,
N.P.C.

Yours sincerely
C. Srinivasan
