Respected Sir, I have been to

the same + some water +
a severe blast and returned
today. Fr. Sequina has been
kind enough to write to me
the system of water supply
is not in use now. There is a
file regarding under
the management of the National
College, Trichinopoly for Brah-
mins. If you know A.
Rama Ayyar M. A. Principal
National College, will you
be good enough to

write to him about my son
S. Sankarasubramanian.
I wrote to you from Karaikekudi
that Mr. Ramaniathan
Chettiar MSc. Pudukkottai
Ramanath District is
interested in the award of
Scholarships to deserving
students. My friend Mr.
K. R. Ramanathan is his
agent and he said that
he will see all to him.

I am to get it at the Chettiar
is your student. If it is so
will you please write to him
at your earliest convenience
and also let me know.

If these attempts fail I fear
I shall not be able to
send my son to the College.
begging to be excused for
the trouble
with my kind respects
Yours truly
Ramanathan
