

Indian Institute of Science,
Bangalore. Fri. July 13/34.

My dear Krishna Sengupta,

We had very pleasant journey while coming back. We are having good showers and also pleasant weather.

I hope all matters in Bow Bazaar smoothed and I think you are doing your research as usual. Lakshmi asked me to send a few Cotton sarees for home use. Today I have sent a parcel containing 2 sarees each 6/=. If she wants any silk sarees please let me know the price and colour. I will send it later on. Hope the children are doing well. My love to them.

Yours very sincerely
Lokasundari (Raman)
