CONFIDENTIAL

To  
The Director

Subject:- Meeting of wheat rust Control Committee  
on 7.3.1951

Kindly refer to your Endorsement No.F4(24)/4836 of 5th March 1951. As Dr.Prasada is busy otherwise, it will not be possible for him to attend the above meeting. Also in my opinion it is not necessary for him to attend the meeting, as the Head of the Division will be there. I have asked the Convenor of the meeting on the phone and he also agrees with my views that Dr.Prasada need not attend the meeting. I therefore hope that it is not necessary for me to communicate the information to Dr.Prasada as desired in the Endorsement of the above quoted memo.
