Dear Mrs. Ranganayaki,

With reference to your application for a scholarship of the Alexander von Humboldt-Foundation, I am sorry to inform you that the Selection Committee on November 20, decided not to forward your application as quite a number of the documents and papers required were missing. You will appreciate that this office in the letter of October 8, expressly pointed out that only applications which are complete with all the papers mentioned on the questionnaire can be considered.

Enclosed I am returning the application papers which you had submitted to this Consulate General. As the scholarships of the Alexander von Humboldt-Foundation are given away annually, you may apply again next year at about the same time.

Yours faithfully,

F. Vogel
