Dear

This year, 1994 is indeed happy and more so very pleasant as evident from the final publication of the volume "PEOPLE OF INDIA : BIO-CULTURAL DIMENSIONS - DR. K.S.SINGH FELICITATION VOLUME". We avail ourselves of the opportunity to thank you for your kind cooperation. We feel immensely happy by handing over the Volume to you. An acknowledgement is solicited.

Yours sincerely,

(S. B. Roy)

(Asok K. Ghosh)
