Dear Dr. Krishnan,

It is with great pleasure that I read in the Hindu of Monday that the President has invested you with the rank of Padma Vibhushan-Dusra Varg on the 7th Anniversary of India's attainment of Independence. Your contribution to Science as one of the brightest students of Shri C.V.Raman, has benefitted not only India but the entire world. It is indeed a unique privilege that you came to Jaffna in 1951 to preside over the Tamil Conference. I was given the pleasure of meeting you earlier this year at Karaikudi when you presided over the Kambaru Vila.

May you live long to attain the highest honours that Mother India can confer on you.

Yours sincerely,
