The Director General
Anthropological Survey of India
West Block 2, Wing No. 6
1st floor, R.K. Puram
New Delhi - 110 066

Sir,

This has a reference to your letter No. 5-14/92-
ASI, dated 13.3.92.

The Ambiga and Harikantra river fishing and
sea fishing communities respectively were studied
in Karnataka as separate endogamous groups.

Yours faithfully,

(S.S. Sastry)
Head of Office

Prof. Laban Sadgopal
