My dear Krishna Iyengar,

I arrived

here comfortably on the 11th. I

have had an extremely pleasant

time at Calcutta for which I

forgot to thank you. I was so

very much at home with you and

with your children. Nothing could

have been better. If anything

brings you at any time to this

part of the Country please make

it a point to visit me

Give my greetings to your

children + Son-in-law

With kindest regards. I remain,

Yrs. ver. sincerely N. Admanette
