

Dear Kuzalath C.P.,

11 January 1995

Greetings. Sorry we missed you
this last trip down to Kovalam.
Couldn't quite connect by phone.
We collected our algae & came back
to Cochin on Tuesday (10 Jan). Were
off to the Andamans and Nicobars
Jan 20 - Feb 8th. Will be going to
Kovalam again in February. Hopefully
we'll get together then. We hope you
had nice holidays and safe trips.
We also expect that you have
been busy with work. Did you get
the papers I sent? Have you had any
luck with the maps I was looking
for? Wishing you all the best. Cheers,
Paul & Linda
