Dear Friend,

At a meeting of representatives of the various South Indian organizations in Delhi in November last, a Committee called the Rajaji Sathabhishekam Celebrations Committee was set up to make arrangements to commemorate Rajaji's 80th birthday in a manner befitting his position. The Committee decided that the most suitable way to commemorate the event would be to build a wing or a hall to be named after Shri Rajaji to be a part of one of the Madrasi Education Association's schools in Delhi. A few copies of an Appeal which the Committee issued in this connection are enclosed for your information and use.

~~XXXXXXXXXXXXXXXXXXXX~~

The Committee's desire is to try and collect at least Rs.20,000/- towards meeting the cost of building the proposed Rajaji Hall. I am addressing this letter to you in order to enlist your co-operation in this worthy cause.

In order to facilitate collection, the Committee has printed Receipt Books in denominations of one rupee, five rupees, ten rupees and twenty-five rupees. I am taking the liberty of sending you a few books as detailed below. Looking forward to your co-operation and help and with kind regards,

Yours sincerely,

*Am. Day*
