

as Vice Chancellor at Dacca  
I found that he had earned  
the respect & admiration of  
both students & teachers  
He would I think prove  
successful as an administrator  
in charge of a department.

He has charm of manner  
and is the type of colleague  
one always wishes to have.

Any institution which secures  
his services will have no  
cause to regret it for I feel  
that he is destined to follow

It gives me great pleasure  
to be able to testify to  
the abilities & general  
qualifications of Mr K S  
Krishnan. He is in my  
opinion the most promising  
young physicist in India and  
his research achievements  
qualify him for a full  
professorship in spite of  
his youth. While acting
