Sub: Participation as guest faculty in the training programme on "Watershed Management" being organized at NWA, Pune during 13-17 September, 2004 - reg.

Sir

As you are aware, the National Water Academy is a premier institute engaged in imparting training to the in-service engineers of various State and Central agencies involved in the field of Water Resources Development & Management (WRD&M). We had very fruitful and valuable association with you during some of the training programmes conducted earlier by this Academy and hope to continue to have the same in future also.

As a special case, the National Water Academy is organizing a training programme exclusively for the officers of the Govt. of Tamil Nadu on "Watershed Management" from 13-17 September, 2004. The course has been conceived to present an overview of the present state of affairs on the subject. About 20 numbers of officers from Govt. of Tamil Nadu are expected to participate in this course.

In view of your expertise on the subject matter, we request you to please participate in this course as a guest faculty for the topic listed below so that officers attending this course may benefit and enrich themselves.

Date	Time	Topic
16.09.04 Thursday	1400-1530	Procedures and practices, methods, legislations and institution frameworks in Watershed Development
	1600-1730	-do-

You are requested to please convey your concurrence in this regard at the earliest. The lecture notes/write-up may please be sent in advance for its compilation (preferably by e-mail to : srinivasmk@rediffmail.com)

Thanking you in anticipation,

Yours truly,

 (K. R. SUBRAMANIAN)
 CHIEF ENGINEER (NWA)

Sub: Short Term Training programme on "Watershed Development" to be conducted at National Water Academy, Pune from 10 to 14 December 2001.

Ref: Yr. Lr. No.NWA/001/001 dated 6.9.2001

Sir,

This is to thank you for above cited letter. You are requested to kindly nominate expert faculty for handling the following topics:

- Procedures, practices, methods, legislations and institutional framework**
- ◆ **Socio-economic considerations in watershed development programmes;**
 - ◆ **Ecological considerations in watersheds in hilly regions and in plains; and**
 - ◆ **Improving water quality and biodiversity in watersheds.**

The lectures on the above topic is scheduled on 10.12.2001 from 1630-1730 Hrs. Also it is requested to send the training module at an early date for compilation at this end.

Yours faithfully,

(K.R.SUBRAMANIAN)
CHIEF ENGINEER (NWA)
