Moscow , April 1, 1992

Dear professor Swaminathan,

Allow me to inform you, that in accordance with the Decree of the Russian Federation President the united Russian academy of agricultural sciences is established on the basis of the Russian academy of agricultural sciences and the All-Union academy of agricultural sciences (VASKhNIL) during the Constituent Assembly dated February, 5, 1992.

The Presidium of the Russian academy of agricultural sciences is formed. The following persons are elected: the President is prof. Romanenko G.A. (arable farming and economics), the First vice-president is prof. Kashtanov A.N. (arable farming), Vice-presidents are prof. Zhuchenko A.A. (plant industry), prof. Kormanovsky (mechanization and electrification in farming), prof. Ernst L.K. (animal husbandry and veterinary science), prof. Poshkus B.I. (economics), doctor of sciences Sizenko E.I. (processing and storage of agricultural products), Chief Learned Secretary is prof. Makarov I.P. (arable farming).

Russian academy of agricultural sciences confirms all adopted by both academies before governmental agreements and commitments as regards to the research institutions, located within the territory of Russian Federation.

Appreciating our scientific collaboration, we express our sincere thanks for your activities with VASKhNIL and hope to have close co-operation in future within the Russian academy of agricultural sciences.

With personal best wishes  
President

  
G.A. Romanenko
