Dated, the 4th February, 1952.

Dear Dr.Krishnan,

A very dear friend of mine has asked me to write and request you to help, if you can, Mr.P.P.Krishnan, M.A., A.I.I.S.C., who is an applicant for a post in Messrs. Rare Earths (India) Ltd., Ernakulam of which, I believe, you are one of the Directors. Although I do not know this candidate personally, I have great faith in my friend who is recommending him very strongly and hence this letter.

I hope you are doing well. With best regards,

Yours sincerely,

K.V. Krishnan
