My dear Dr. Krishnan,

Enclosed please find a copy of the circular letter regarding the composition of the Finance Committee, which has had to be revised in pursuance to the amendments to the ISI Constitution adopted by the General Council in its last meeting.

May I take the liberty of expressing, on behalf of the Institution as well as on my personal behalf, our sincere gratitude for the contribution and support which we have been receiving from you in the cause of standardization and development of the Institution.

I have no doubt that in future also we would continue to receive your guidance in the affairs of ISI in the same unstinted manner as heretofore notwithstanding the fact that you have formally ceased to be a member of the Committee.

With my best wishes,

Yours sincerely,

Lal C. Verman
