

♥ Friesland ♥ Prize

On this second day of June 1965 the „Friesland” prize has been awarded to

Dr. V. Subrahmanyan

honouring his outstanding scientific investigations during his directorship of the Central Food Technological Institute at Mysore (India), particularly his work on the role of milk proteins and vegetable proteins in human food.

For the Jury of the „Genootschap voor Melkkunde”:

For the Board of Coöp. Condensfabriek „Friesland”:

♥ Friesland ♥ Prize
