

T. J. Sampangi Ramaiah M.Sc.,
Department of Mathematics
No. 2586, VI Cross, P.J. Extension.

B. D. T. College of Engineering
DAVANGERE Mysore State (S. I.)

Date 30. 1. 1964

Shri, B. S. Madhavarao D.Sc., F.N.I etc.,
Lokamanyaatilak professor of Maths
University of Poona, Poona-7.

Respected Sir,

It is past many months since I wrote to
you honour. I request you to accept my respects to you
Sir.

When I wrote to you honour last, I was
trying to go to U.S.A. but my trials failed most probably
as I have no I class in my degrees. So I fixed the
time limit to 1965 and tried to ~~improve~~ ^{improve} my qualification
appearing for M.Sc. in private again to the Karnatak
University in 1963 (Previous Examination) I had done very well
in all papers except in Geometries. Unluckily for me I was
declared failed. I was 100% sure of passing with at least 200
marks for 400. I tried again this year to appear they
have not yet cared to send me the application form.
At present in this college Dr. V. Rajendran Resigning the
job to accept the job of a professor of Maths in Suratkal
Regional Engg. college I am the only permanent man with
10 years of service. The Govt. not being interested to give
me promotion though senior, are manoeuvring to bring
people from Colligate Dept.

P.T.O.
