COUNCIL OF SCIENTIFIC & INDUSTRIAL RESEARCH

NEW DELHI 29th March, 1954.

Dear Dr. Krishnan,

You will be glad to know that the Prime Minister will be performing the Opening Ceremony of the Central Salt Research Station, at 4.00 P.M. on the 10th April, 1954 at Bhavnagar. May I request you kindly to grace the occasion by your presence at the function. I shall be glad to know whether it would be possible for you to attend the function.

Yours sincerely,

D. Padmanabhan
(D. Padmanabhan)

Dr. K.S. Krishnan, F.R.S.,
Director,
National Physical Laboratory,
NEW DELHI.

Dear Mr Padmanabhan,

Mr B.K.Nan, stenographer in the Radio Research Committee, who is at present looking after the work of the Secretary, Radio Research Committee, joined the Committee early in 1943 and has been rendering satisfactory service to the Committee. As ^{the} Radio Research Committee is now the National Committee of India for the U.R.S.I. and the activities of the Committee are growing up arrangements may kindly be taken to place the administrative posts attached to the Radio Research Committee on a permanent footing ^{similar to} ~~with~~ the staff of the C.S.I.R. or its laboratories. You may remember that at the last meeting of the Board of Scientific and Industrial Research I raised this point, since I thought it raised a question of policy regarding our technical establishment, but the Board decided that it was a purely administrative matter to be taken up with the D.S.I.R.

Yours sincerely

U.S.R.
