# Today's Pan Am. An Experience You Richly Deserve.

Pan Am is doing many things, in the air and on the ground, to make sure our First and Clipper® Class passengers get the treatment they so richly deserve.

## More Luxury Than Ever In First Class

We have completely renewed and redesigned our First Class on all our 747's.

With bright new interiors, innovative new cuisine, and beautiful new leather-and-sheepskin Sleeperette® Seats so supple and soft, they literally mold themselves to your body.

*In Clipper, on all our 747s, our new tweed seats will be arranged six-across, as before, to give you more room to work or relax.*

## More Comfort Than Ever In Clipper Class

Our Clipper® Class service, too, has been renewed and made better in virtually every way. With new fabrics, carpeting and curtains everywhere you look. And with

handsome new tweed seats, arranged six-across on every 747 we fly, to give you more room to work or relax than you'd get in some airlines' First Class sections.

## A Private Terminal Just For You In New York

Our new First and Clipper Class Terminal at JFK Airport, lets you experience new heights of luxury and comfort even before you leave the ground.

Here you can relax in an atmosphere more reminiscent of a fine hotel than an airport, while a friendly, helpful staff attends to all your travel needs—everything from checking-in, to reserving rental cars and hotel rooms.

## Pan Am's New Indian Look

Travelling Pan Am means you not only avoid a lot of hassel, you get a lot of comfort too.

*Our new First Class Sleeperette Seat will cradle you in buttery-soft glove leather and plush sheepskin.*

For every flight from Delhi and Bombay is a luxurious 747 with three classes to choose from. And with our new Indian flight attendants plus our delicious Indian cuisine and announcements made in Hindi as well, we make you feel more at home.

So fly with us soon to Europe or South America or to the USA.

And get the treatment you so richly deserve.

For reservations and information see your Travel Agent or call Pan Am, New Delhi: 345222, 345244; Bombay: 2029020, 2029048.
