Respected Sir,

I am extremely grateful to you for your kind & generous help given to me on 23/2/93. I seek your kind help & advice regarding the following books which I need for my research work. so that I can come to Bangalore to consult these please.

- ① Emler 1986. Natural selection in the wild. Princeton university Press.
- ② Emler 1978 Clines, and Geographical variation. Princeton University Press.
- ③ Hartl & Crawford. 1990. A primer of population Genetics.
- ④ will, C. (1976) Genetic Variability. Clarendon Press.
- ⑤ Hedrick, P.W. (1982). Genetics of Populations
- ⑥ Hedrick, P.W. (1982). Population Biology.
- ⑦ Hoffman & Parsons (1990). Genetics of stress in populations.
- ⑧ other books on Population Genetics / Ecological Genetics / Behavioural Genetics.

All this would be possible only due to
your kind help & guidance to me.

Kindly advise the month, when I
should come to you & spend time
in Bangalore. I can come in
May/June, 93 or Dec, 93. Please
advise.

With kind regards

Sincerely yours
Ravi Parkash
