Dear Sridhar,

I have received the NEWSLETTER FOR BIRDWATCHERS vol. 31 no. 7 & 8 today.

On leafing through the publication I find that it is a deffective copy where vast areas of printed matter are missing. Most probably due to the folding of paper during printing.

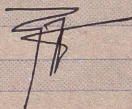

Could you please send me another copy?

Also, why do you not change the numbering system of the newsletter to 1 - 6, since it is for all reasons, a bi-monthly now? You could number them like this 1, 2, 3, 4, 5, 6 for Jan., Mar., May., Jul., Sep., Nov., respectively.

Do give it a thought.

Best wishes,

Sincerely,

AASHEESH PITTIE
