Dear Farhad,

We are grateful to UADRA for supporting our project on documentation of knowledge on wild food species in tropical forest region of Uttara Kannada, Karnataka, India.

We have started work on this project from August 1999. We have heard that UBING is organising a workshop on wild food varieties. The workshop will provide a good exposure for us on this issue.

We wonder whether an invitation has been sent to us, as promised in your letter of May 31, 1999. May be, we have not received the invitation or you may have not sent the invitation with valid reasons.

A line of reply through fax will be very helpful.

With warm regards,

Pandurang Hegde

Dear Farhad,

Thanks for your fax.

Due to the delay in informing me about the workshop, it is difficult to arrange to attend. In spite of the short notice I shall try my best to come for the workshop.

Will you kindly let me know how to reach the venue? I also need a letter from UBING addressed to Bangladesh Embassy in Delhi for visa. Please fax these documents.

With best wishes,

Pandurang Hegde

Re: Issue of visa to visit Bangladesh for Pandurang Hegde

Dear Sir/Madam,

Mr Pandurang Hegde is working with our Organisation as Director of Programmes. He is invited to participate in South Asia Workshop on Uncultivated Food and Plants at Ridoypur Nayakrishi Centre in Tangail, Bangadesh. This is to be held from 2-4th October ,1999. This workshop is organised by South Asia Network on Food and Culture and Using Agricultural Diversity Research Award and Hosted by UBING. We request you to kindly provide visa to Mr Pandurang Hegde to attend this workshop and do the needful.

Thanking you in advance.

Yours sincerely,

S. Subbanna
