My dear Krishnan,

Heartiest congratulations and best wishes. I am extremely sorry it is not possible for me to come to the function this afternoon as we have a most important joint meeting of the Governing Body and the Council of the Indian Statistical Institute at the same time. New financial arrangements under the Indian Statistical Institute Act will come into operation from the next financial year; also this would be the last meeting of the Council during the current financial year. It is necessary that Professor S. N. Bose, Vice-President of the Indian Statistical Institute, and I should be present at the joint meeting. I am sure you would easily understand why we shall have to deprive ourselves of the pleasure of being with you this afternoon, and excuse us.

Yours sincerely,

P. C. Mahalanobis
