My dear Krishna

I thank you most
sincerely for having
reserved a corner of
your heart for your
old & beloved teacher.
Truly my heart swelled
with pride and
joy when I studied
the words of appre-
ciation of such an
immense person as
Sourinji. It is
a fortune to have
one's name linked

Once more I thank you -
Please send me if convenient some
of the Journals (book numbers)
which are popular in those
parts -

Yours affly
M. B. L. G.

with that of
Prof^{essor} C. V. Ram...
The School feels proud
of you. I pray
that you
will be given long
life and health
to continue your
good work -

Please be contact
time often about
Dacca and your
researches -

The School's
getting on well
