My dear Dr. Swaminathan,

Many thanks for your letter dated 31st March which I received this morning. I indeed appreciate the sentiments that you have expressed and I can assure you without hesitation that not only your successor Dr. Gautam but you yourself in your new assignment will receive all possible help and cooperation in furthering the cause of our country.

It had been very interesting indeed for me to be in the Governing Body and in the Standing Finance Committee and although on certain issues we differed but the basis was 'we agreed to disagree'. May I on this occasion wish you all success in your new assignment.

With my very best regards,

Yours sincerely,

(JYOTIRMOY BOSU)
