indeed to go through them. Please accept my ~~best~~<sup>heart-</sup>  
thanks for this present.

I have received the questions which you have  
sent me for the B.Sc. Home School (H.S.) exam. They  
are all very good questions. As desired by you I have  
added two questions & <sup>have</sup> provided the question paper to  
the Controller.

Under a separate cover I have sent  
a few Hindi Books. I shall be on the look out  
to find some more suitable books & as soon  
as I come across any I shall send it to you.  
In the mean while please let me know, how

You have liked the books which I have  
sent to you.

The science congress will be too forgotten and  
I shall cherish the memory of the time that  
I spent in your company for a long long time.
