Dear Professor,

Your kind letter of the 12th August with the enclosure duly to hand. I am extremely sorry for the long delay in replying to you. Yes, Fox's letter is very interesting indeed. I ~~xx~~ am writing to Mr. Mayurnathan about this to-day. Time permitting, I myself would like to try the preparation here.

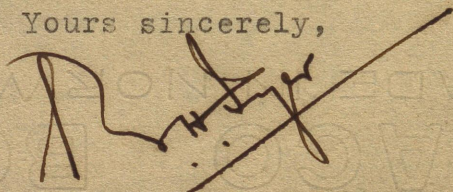

I am sorry, para-chloro-bromo-benzene is not available here.

It should always be a great pleasure to me to be of any little service to you.

With my respects and apologies,

Yours sincerely,

Dr. K.S.Krishnan, D.Sc.,
