Dear Sir,

विवेकवरेण्य शरण्य कृष्णान्ते पादपद्मे द्वे।
मत्प्याप्तवाचितचेता त्रिभुवननाथेनमस्तुते॥

Kindly excuse me and go through the following.

As you know me very well I am working in the N.P.L. Library as Junior Librarian. It is only due to your great blessings, that at the time, when I joined as a Daftary in N.P.L., I was not even metriculate, and now, your grace, only your grace, has made ^{me} M.A.M.O.L. (SKT). So in ^{your} this form I have received a good deal of favour, for my life, and thus I have been highly indebted for ever.

I had an opinion to see you when the result is issued, and ask for your further advice to lead noble life. But unfortunately I have become unable to show you my face for I have ~~unfortunate~~

unfortunately been placed in 3rd class
and thus my future has been ruined.

My protector!

From the very first sight, you have
become my "Guru", my well wisher. So as a
guilty child I am afraid to face you.
I have keen desire to see, try, but do
not succeed to.

Further I am very sorry to inform you
that last month my father did expire. Thus
an another adversity fell upon me. Now I
am the only supporter of my large family -
consisting of more than 9 members. Being
dejected by these calamities, I have become
unable to plan for future and am so anxious
about.

Kindly excuse me, I am seeking your
help. Would you kindly allow me to

Praying God for your robust health and
awaiting for yours.....

Thanking you,

Secrecy Urged

Yours faithfully
