Dear Dr. Krishnan:

I would like to thank you again for your generous hospitality to Dr. Harnwell during his visit to New Delhi. I know it added a great deal to the pleasure of his visit to have met you and he enjoyed his visit to the National Physical Laboratory and the meeting with your staff. I also wish to thank you personally for the luncheon. It was good of you to take so much of your time in making all these arrangements.

Please accept my best wishes and regards.

Yours truly,

Everett M. Woodman
