November 23, 1963.

Dear Mr. Weber,

I thank you very much for your letter No. LH dated November 1, 1963 inviting me to the "Industry Excursion" from 9-12 December 1963. I have great pleasure in accepting this kind invitation and would like to mention that I shall be coming alone. I must say that I enjoyed the meeting at the "De Hoeve" at Laren and the connected activities. It was very interesting and educative and I wish to express my grateful thanks to you and to our host at Laren, Mr. H. P. TerMaten and other colleagues of your's for making our stay enjoyable.

I find from your letter referred above that although the Excursion starts on 9th, I am expected to be at Bezuidenhoutseweg 30, The Hague on December 6th at 2.30 p.m. If this is correct, it would mean that I have to leave Groningen in the morning of Friday, 6th December, to be in time at The Hague.

Thanking you once again and with kind regards,

Yours sincerely,

P.K. Sukumaran.
