Dear Dr. Krishnan,

I thought that you might like to have a copy of the photograph taken with Professor Auger at the Reception given at the Gymkhana Club last week.

With kind regards,

Yours sincerely,

Dear Dr. Krishnan,

We should like to inform you that Dr. R. Naidu has recently been transferred from our Paris Headquarters to take up the post of Natural Science Officer in the South Asia Science Co-operation Office.

Dr. Naidu is a scientist with long professional experience in the fields of Nuclear and Bio-Physics and joined Unesco 7 years ago and for over two years was in-charge of the Scientific Information Service in the Department of Natural Sciences. He subsequently joined the External Relations Service as Liaison Officer responsible for relations with governments and National Commissions of member states of South Asia and the Far East and for servicing the programme Departments of the Secretariat in the planning and execution of Unesco's work for those regions.

We hope that in due course Dr. Naidu will be able to meet you personally.

Yours sincerely,

William J. Ellis
