

True Copy

The Director,  
National Physical Laboratory,  
Government of India, New Pusa,  
New Delhi.

Sir,

Having come to know from an advertisement in the Hindustan Times that there are a few vacancies of Scientific Assistants under your kind control for which I offer myself,

As regards my qualifications and experience I passed the Matriculation Examination in 1944 from the Punjab University and joined the V.D.J. Hindu Technical Institute, Lahore, in Senior Diploma for Mechanical and Electrical Engineering. I was a final student when due to partition and abnormal condition I had to flee away for life and thus a refugee.

2. Worked in Delhi Cloth Mills Ltd. Delhi in Manufacturing Workshop as apprentice.

3. Worked on 66 K.V. Over Head Construction Line in Government Electricity Department C.P. & Berar.

4. Again started my school carrier and passed the Senior Final Diploma in Mechanical Engineering in March 1949 and also student member of Electrical Engineers ( India).

5. Worked in Central Tractor Organisation for 1½ years on earth moving machinery and Internal Combustion Engines.

I am a hard and honest worker. I am a young man of 24 and possess a strong body.

I hope you will give me a chance to serve under your kind control.

Thanking you,

dated :- the 30th Jan.51.

Yours faithfully,

*Dharmender Singh*

( D.S. Ahluwallia )
