

No F 41-23/34-E New Delhi
2nd March.

The Govt. of India have decided that the
Grant in aid should be continued for a
period of 5 yrs for 1935-36. The payment
of this grant is not only subject to the ^{existing} conditions
specified etc but also to the following ^{additional} conditions

a) that the work of the Association shall
continue to be of an All India Nature

b) that the research in Physics, which

was initiated by Sir C. V. R. and with

which Sir Mahendralal Sircar, ^{Professor}

is now directly associated, shall be
maintained, and, as far as possible,
developed; and

(c) that a place on the Executive
Committee of the Association be reserved
for a nominee of the Govt. of India.
