Dear Dr. Dr Krishnan

We are having an All India Nutrition Conference at Ambala Cantt on November, 14 & 15, 1953 under the presidentship of Dr. V.N. Patwardhan, Director Nutrition Research Laboratories, Coonoor and under the patronage of the Directors of Health Services, Punjab, Pepsu & Himachal Pardesh. The conference will be inaugurated by Hon'ble Rajkumari Amrit conference will be inaugurated by Hon'ble Rajkumari Amrit Kaur, Union Health Minister at 10.30 A.M on 14th November, 1953.

At the time of the conference there will be a symposium on adulteration of food and procuring minimum essential nutritive requirement for the common man. Ensuring the purity of foodstuffs, the prevention of adulteration and to make nutritious food within easy reach of the common man are some of the trickiest problems of India to-day. It is greatly desired that officers of the I.A.R.I who are dealing with the problems of food and its adulteration should take part in the deliberations of the conference. May I, therefore, request you to kindly depute suitable officers for the function. A brochure and the programme is being printed shortly for circulation; The subject on which they intend reading papers should be communicated by return of post so as to include their names therein. The intimation of time & date of their arrival over here will help us to make arrangements for their stay.

Yours sincerely,

B. D. Kochhar
