Dr. H. J. Bhabha
Tata Institute of Fundamental Research
Colaba, Bombay 5, India

Dear Bhabha,

As you probably know, we have arranged for Sreekantan to come to M.I.T. next fall with a Fellowship from the Space Centre. We are all looking forward to his visit which we hope will be profitable both for us and for him.

When you were here, you mentioned that your Institute would be able to help Sreekantan with his travel expenses. This would be very helpful because while we can provide Sreekantan with an adequate salary, it is difficult for us to pay for his transportation, especially since he is planning to take his family with him.

I greatly enjoyed seeing you during your visit to Cambridge and I hope to have occasion to see you again.

With best wishes,

Sincerely,

sd/-
