Dear Shri Siddhartha,

The paper (Parts I & II) that you have prepared on "The Indian Aircraft Industry : Prospectives, Constraints & Alternative Futures" is indeed interesting. It will be appreciated if you would call on our Managing Director, Air Marshal P.C. Lal when you are in India next.

Yours sincerely,

(K.P. Rabindranathan)

Shri V. Siddhartha,
Deptt. of Mechanical Engineering,
Imperial College of Science & Technology,
