PIEGONS & DOVES (Columbidae)

1. *Crocopus phoenicopterus*: Common green pigeon.

~~Nest~~ Numerous at Patung, Luia, during the winter. Rare elsewhere.

A lively cheerful bird, constantly moving & fluttering from side to side with jermy movements; the wings are drooped and the tail is spread into ^{a loose line} like a ~~open~~ fan.

2. *Junco* ~~form~~ ~~of~~ ~~Luia~~
