Dear Sir,

You may remember that we met at Burlington House when a few of us were honoured to meet your Premier Nehru, last October. I spoke to you then of a most excellent revue "The Good Road" which was coming to His Majesty's Theatre, London, & you expressed a wish to visit it on your return.

I have much pleasure in sending you an invitation, & can assure you that it is ~~an~~ a fine performance. I saw it ten days ago myself. It runs on till Dec 20.

Yours sincerely,  
H.W. Turnbull.
