

Prof. M.S.Swaminathan
Centre for Research on Sustainable Agricultural
and Rural Development, Madras, India

Sept. 15, 1992

Dear Prof. Swaminathan:

It is my great pleasure to know that you have kindly accepted my invitation to be an academic adviser of the Laboratory of Plant Cell & Chromosome Engineering. Enclosed herewith please find Certificate of Appointment in Chinese. The tenure of appointment shall be three years. As the adviser of the Laboratory, you are kindly invited

1. To give advice with regard to the research direction of the laboratory.
2. To offer comments and suggestions on the research projects being carried out in the laboratory.
3. To promote international collaboration in this field.

Thank you for your positive response and contribution to the development of our laboratory.

with best regards

Sincerely yours

Li Zhensheng

Dear Dr Swaminathan:

The Qianxian Biovillage, Yuanshi County, Hebei Province has been developing favourably under the auspices of the Chinese Academy of Sciences in the past one and half years. During that period it is very kind of you to have sent 5 scientists, namely, Dr. S. Rajaram, Dr Vineeta Hoon, Dr E. Agergaard, Dr. K Nair and Dr. R. Hopper to Qianxian Biovillage to help working with us, thus greatly pushing forward the biovillage programme. I would like to express our sincere thanks to you.

In order to make Qianxian biovillage grow into a successful model and a training base for China and for other parts of the world, your assistance and support is still needed. I hereby would like to ask you to be the Chief Adviser for the biovillage programme in China and it is my hope that you will accept this offer. Looking forward to hearing from you.

Yours Sincerely,

Zhou Guangshao
President
